Dear Shugo,
Hi. Thanks for your help the last time.
Thanks to you, the little Pikey is very energetic right now.
He really eats a lot.
Shugo was so cool that time.
In the future I still want to go and play at the Japan server.
Please send regards to the others from me.
Best Regards
Hotaru

Isn't [The World] fun?
I think you like it, too.
Because there are so many special events, it's not boring at all.
Also we can meet many people.....(like that swordsman)
I really have a lot of fun playing this game.
I guess it's also thanks to the [hackers], huh?
Hmmm, I wonder
What's the relationship between Kite and Black Rose.....????
Don't forget our agreement yuh!

記得那是去年秋天的事了吧…
我們兩個曾一起商量：
「孩子該怎麼處理好呢？」。
雖然這一路走來，
遇到許多痛苦和辛酸，
不過我們的孩子總算誕生了呢。

這孩子是個好孩子喔！
因為整體印、
會讓我們開心喔。
